

**Online Course Evaluation
ECON 131 01 - Fall 2009****View By Question - Sukjin Han**[Print Page](#)**Question 3**

Was the relationship between the section (if any) and the course effective, and how could it be improved? What are the strengths and weaknesses of your teaching assistant (discussion section leader, lab section leader, grader or other assistant) as an instructor, and how might his/her teaching be improved?

Response 1

Sukjin Han

Sukjin is a really nice guy. At times, it's difficult to follow him in section and he always goes over, but he means well and is interested in helping his students.

Response 2

Sukjin Han

Sukjin was an excellent TA. he made himself available for extended office hours before exams and was generally very helpful. sections were also well conducted.

Response 3

Sukjin Han

Sukjin was the most genuine TA I've ever had -- by which I mean he truly cared about the well being of each of his students. He never turned away a student when he/she asked for help and was willing to meet after hours to make sure everyone knew what was going on. He also had a wealth of knowledge that we all benefited from.

Response 4

Sukjin Han

Sukjin did a great job. Only improvement would be to finish sections on time.

Response 5

Sukjin Han

Sukjin improved a lot as a TA over the semester. By the end, he approached each section pretty methodically and prepared material for each section, though he also left a lot of time for individual questions and problem areas.

Response 6

Sukjin Han

He tried his best in helping the students, but I would have appreciated if he'd used less

mathematical proofs to explain it and would have spent more time on going over the intuition for various topics.

Response 7

Sukjin Han

My TA did an outstanding job. His sections were very helpful -- I liked that we often went over more of the math behind lecture. Thank you!

Response 8

Sukjin Han

Even though Sukjin's English isn't that good, he definitely puts in the effort. He got better towards the end of the semester. Definitely a nice TA though.

Response 9

Sukjin Han

Sukjin is very approachable and helpful! He is great!

Response 10

Sukjin Han

Sukjin was an amazing TA. He always went out of his way to help his students, and turned out to be a much-needed source of assistance when the professor was not clear.

Response 11

Sukjin Han

Section was not required and not really worth going to. However, I talked with Sukjin a lot, both after class and by email and he was critical in answering a lot of questions that I weren't clear from class

Response 12

Sukjin Han

Yes, the section was the perfect complement to the course. Sukjin was one of the best TA's I have ever had. He cared a lot about his students and did a great job of explaining the material clearly and providing extra materials.

Response 13

Sukjin Han

Sukjin is a wonderful TA. He was helpful, explained concepts well, and provided a good second resource. I'm really happy he was my TA.

Response 14

Sukjin Han

Really nice and helpful, provided an incredible amount of help.

Response 15

Sukjin Han

Very good TA. Cares about students a lot.

Response 16

Sukjin Han

Overall, I thought Sukjin was great! He was always prepared for section and led section well. My only complaint is that he was often late to section and also kept us late.

Response 17

Sukjin Han

Sukjin did a great job in helping to supplement what was learned in lecture. When I had some questions coming out of lecture, I knew that I would probably get them answered and explained in section.

Response 18

Sukjin Han

SUKJIN'S THE BEST! He was always so willing to help, and he really gave us a lot of his time outside of sections. His English is really clear (despite his own doubts), which is great considering that this is not true of many econ TAs here. He's extremely intelligent and could explain things very well. Most importantly, he was really approachable because he was SO nice, encouraging and reassuring. I wish I could take another class with him as a TA!

Response 19

Sukjin Han

Very good and committed to teaching the section.

Response 20

Sukjin Han

Section was actually pretty helpful--which is rare. Sukjin was super helpful and very devoted. He really wanted us to succeed and he definitely was a committed TA.

Response 21

Sukjin Han

a very good TA, who will answer all the questions you have.

Response 22

Sukjin Han

Great TA. English wasn't perfect.

Response 23

Sukjin Han

Brilliant in terms of being able to do the hardest problems on our exam in his head. Really nice guy, and generally helpful, although sometimes section was a bit convoluted. He might benefit from a little more prep before holding section.

Response 24

Sukjin Han

My teaching fellow put a lot of effort into this course and made himself very available outside of normal hours to help struggling students. He could improve by learning to explain complicated material more clearly. The sections could be better if they gave more of a background and tried to go over the lecture.
